Andrew

Note the edits proposed by Patty and Molly addressing typos and refining a comment over the water treatment process to align with other language in the letter.

Patty and Molly recommend passing these edits onto Chris.

I am off- but my phone is forwarded (Ex. 6 Personal Privacy (PP)) if you need to reach me.

Hi Rebecca-
Attached is a revised letter. In reviewing the letter this afternoon I found a few typos (on pages 5 and 17) and also found that the
Ex. 5 Deliberative Process (DP) I discussed these with Molly and she agrees with these edits.

I recommend that this version be shared with Andrew and Chris as our final version.
Please give me a call if you have questions.
Patty
